BOAT HOUSE

❖ WATERFRONT DINING ❖

PRIVATE EVENTS

WELCOME

Sitting high on the banks of the Sakonnet River, with brilliant panoramic views, The Boat House offers a unique take on the New England culinary experience. Our chefs are inspired by the local area; from the pastoral countryside to the abundant waters surrounding our landscape. Our meticulously crafted menus showcase the flavors of each season. The eclectic selection of wine has been carefully designed to complement our chef's creations.

Whether dining inside our beautifully decorated restaurant or outside on the patio taking in the fresh air, unobstructed scenery is enjoyed from every angle.

We invite you to join us for a truly unique, private dining experience or group function.
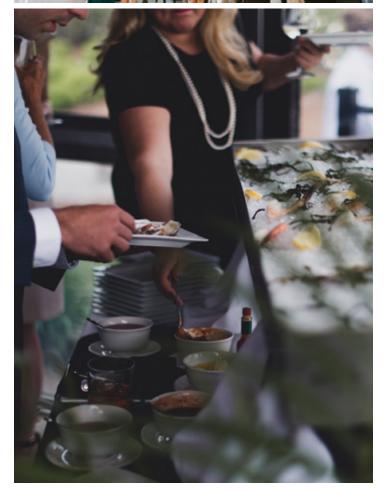

THE SOUTH PATIO

Our three-season heated South Patio offers private or semi-private dining opportunities for parties up to 72 guests and cocktail parties of up to 120 guests. Whether you are gathering for a rehearsal dinner or merely celebrating the Summer with a cocktail reception, enjoy a sunset view across the Sakonnet River while relaxing in the surroundings of our newly renovated patio. Sliding curtains and heaters keep you and your guests warm and dry should the clouds roll in.

For smaller parties of up to 36 guests, we offer a semi-private dining experience on the river side of the patio that is available throughout the spring, summer and fall.

THE DINING ROOM

Space in the main dining room is available when the colder months are upon us. Ideal for small office holiday parties or wedding showers, we are happy to customize our space to your needs.

CEREMONY

We specialize small intimate wedding ceremonies at The Boat House. With idyllic views, couples can tie the knot either on our dock, for an experience literally on the Sakonnet River, or on the South Lawn, surrounded by lush greens.

Thank you for your interest in The Boat House. We look forward to helping you plan your special event.
